(Montana Comprehensive Assessment System)

English Language Proficiency Assessment

Fall 2006 LEP1

Student Registration Form

School System: _____ System Code: _____

System Test Coordinator Name: _____

Overview: This worksheet is for collecting counts of Limited English Proficient students who are in their 1st year in a U.S. School AND who have only basic language skills. Students categorized as LEP1 will be assigned the Beginner Level test. (Note: any LEP1 students who have more than basic English language skills should take the Intermediate/Advanced test, and should NOT be included in the counts on this form.)

Directions: Please **complete a copy of this form for each school in your system with LEP1 (Beginner Level) students**. This information is needed by the testing coordinator no later than October 20th, 2006 in order for your system to receive the necessary materials for the Montana English Language Proficiency Assessment, which will be given to all Montana LEP students this fall.
